

NEW HELP DESK AVAILABLE NOW!

We are excited to announce that our new technical support helpdesk is now live and available for your use! We have included the information you need to submit a ticket below. After each ticket, you will receive a one-question survey. Please complete this as often as possible, as it helps us gather feedback on the areas, we can improve on to create a better experience. Thank you!

As a reminder, use the help desk for issues such as:

- Password resets
- Application support
- Browser troubleshooting
- Login issues
- Student Inquiries
